**The registration is conditional on your compliance with the following notes:**

*This registration is valid only for fittings fabricated at the location(s) covered by the QC certificate attached to the accepted AB-41 Statutory Declaration form. This registration is valid only until the indicated expiry date only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency until that date. Should the approval of the quality management system lapse before the expiry date indicated above, this registration shall become void.*

**FYI:**

*Original submission TN: 2012-07865 is closed as was incorrectly submitted. Three new submissions (TN: 2013-00123/00124/00125) were created to provide for registration of three different types of fittings (Cat.: A,C,E). For future registration applications ensure that the design are submitted correctly, otherwise we may reject the submissions without further survey and without registration.*

**An invoice covering survey and registration fees will be forwarded from our Revenue Accounts.**

Enclosed are stamped prints for your reference.

Sincerely,
