Re: Application for Design Registration

The design, as detailed in your, Ref: ENG-1305-0227, for a Fitting is accepted for registration as follows:

Registered To: ARMSTRONG INTERNATIONAL INC **CRN:** 0E16277.51

MAWT: 200 deg F

MAWP: 437.23 psig

Drawing #: Purger XR1500 Mech

Conditions Of Registration:

Registration of Purger, per attached scope of registration summary sheet.

This design was registered based on a technical review performed by the province of initial registration in accordance with the Association of Chief Inspectors policy on reciprocal recognition of design review.

Reviewer's Notes:

As required by CSA B51 4.2.1, this registration expires on September 04, 2023. This CRN is valid until the expiry date as long as the Manufacturer maintains a valid quality control program verified by an acceptable third-party agency until that date. Should the certification of the quality control program lapse before the expiry date, this registration shall become void.

Contact me if you have any questions. The invoice for registration will be forwarded under separate cover.
